JEANNEAU

## Philosophy of the DB range :

- **PREMIUM DAYBOAT**
- **HARMONIOUS - PURE - SOPHISTICATED – POWERFUL**
- **AN HABITABLE & TIMELESS DAYBOAT**

*“ With the DB/43, Jeanneau integrates **the expected codes** in the segment of **premium Day Boats**, in terms of design and finish, while enriching it with an optimal interior layout, a true characteristic of Jeanneau boats. **We reinterpret this segment** by endowing the DB/43 with not only an **impactful design**, but also a **volume of living space on board** and **ingenious functionalities**, as a real invitation to extend your cruise **beyond day boating**. This step is, by the way, not new for Jeanneau, because it revives our DB line from the 1980s, and it is delivering these requirements for style and comfort. The DB/43 is thus a superb evocation of this savoir-faire.”*

Merry de la Poëze, Powerboat Product Marketing Director
